Mr. Werner: I am handling the CES matter on behalf of GE, including its affiliate Vetco Gray, now part of GE's Oil & Gas business.

In response to your email below to Nancy Nimocks at Vetco, please note that GE duly responded to 2 EPA notice letters as well as an information request from TCEQ regarding this matter. Those responses, as discussed in the information request response enclosed with GE's response to EPA's notice letter, encompass all GE affiliates that did business with CES, including Vetco Gray, Dresser, Hydril USA and GE Betz.

For your convenience GE's prior responses are attached.

Future correspondence in connection to this matter relating to Vetco or any other GE subsidiaries should be directed to me. Please feel free to contact me at the number below if you have questions regarding GE's responses on behalf of Vetco and other GE-affiliated entities.

Thank you,

Roger Florio
